We're centrally located between Lava Hot Springs, Blackfoot Reservoir, and Bear Lake, and we're on the scenic route to Yellowstone and Jackson Hole. We have ample parking space for your toy haulers and comfortable accommodations so you can recover from the day's adventures.

Enjoy your next family reunion by hosting it at our lodge. Our large back yard has plenty of space for tents for the relatives and our large kitchen makes food preparation a breeze.

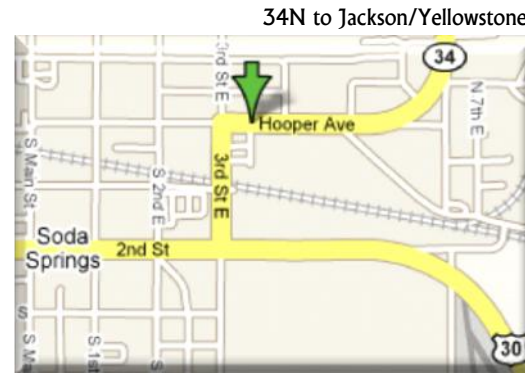

### **Stay on business**

Are you tired of small, noisy hotel rooms and eating out every meal while traveling on business? For about the same as two nice hotel rooms, two or more travelers can share the cost of renting the lodge and enjoy the open space, real kitchen, and privacy we offer. We can bill separate credit card accounts if needed.

Consultants and engineering teams find our lodge an ideal solution for multi-week projects at our local industrial plants.
